

Adult Community Learning

S83ACL1 EDC8P

Working Around

the Family

In partnership with Curo

This FREE 6 week course is designed to help you if you are considering returning to work but care for other people.

What will I be doing?

- Understanding the local job market
- Skills audit to determine which jobs match your skills
- Job applications and interview
- Understand the costs of working, how to be better off in a job and the impact on your benefits
- Childcare options
- Work life balance
