

Closure of footpath on Bradford Road

Curo and our contractors are building a new roundabout on Bradford Road at the entrance to Mulberry Park (the former Foxhill MOD site) to create a safe junction for all road users.

As part of this work, the footpath on the north side of Bradford Road will be closed from Friday 16 September for up to five weeks. This will enable us to carry out highway works safely.

The footpath will be closed outside 159 Bradford Road and a temporary pedestrian crossing will be installed. Pedestrians can then use the south side of Bradford Road and cross back to the north side at the zebra crossing outside 197 Bradford Road.

We apologise for any inconvenience caused by these essential works. If you have any queries, please contact:
