PROPOSAL: Refurbishment of street signs in St.James Parade, Trim Street, Queen Square, Gay Street and Great Stanhope Street

CASE OFFICER: Laura Batham

DATE: 25 March 2017

COMMENT: SUPPORT

Bath Heritage Watchdog fully supports this application.

Bath's street signs show varying forms, some of which have become barely legible. It is hoped that the work in this application is successful and will lead on to other signs being restored.
