APPLICATION NUMBER: 17/03038/AR

ADDRESS: 15 Kingsmead Square

PROPOSAL: Display of single A Board advertisement to pavement.

CASE OFFICER: Alice Barnes

DATE: 20 July 2017

COMMENT: OBJECTION

Bath Heritage Watchdog objects to this application.

The building is in a prominent place in a very busy area, therefore we do not consider that an A board is entirely necessary, especially the one proposed which is very poor in design.

There is concern at the cluttering up of the pavement especially at this point in the Square where people cross and have to contend with traffic going around the Square as well as along Kingsmead Street. The pavement is not that wide and with the proposals in the parallel application for tables and chairs we consider that the dangers outweigh the benefits.
