APPLICATION NUMBER: 18/03527/LBA

ADDRESS: Octagon Chapel, Milsom Street

PROPOSAL: Internal and external alterations to refurbish Octagon Chapel and Vaults for A3/A4 use

CASE OFFICER: Helen Ellison

DATE: 7 October 2018

COMMENT: STRONG REOBJECTION

\*\*\*\*\*

We note the revised drawings submitted to this application. This comment is in addition to our initial one.

It is extremely disappointing that the applicants have not taken on board comments made by both ourselves and Historic England and have continued with their overtly corporate and damaging proposals. Historic England's comment is an objection and needs to be heeded.

We retain our STRONG OBJECTION to this application.
