APPLICATION NUMBER: 18/03940/AR

ADDRESS: Griffin Inn, Monmouth Street

PROPOSAL: Display of 2no. replacement non illuminated fascia signs

CASE OFFICER: Caroline Power

DATE: 9 September 2018

COMMENT: OBJECTION

Bath Heritage Watchdog objects to this application.

We are disappointed to find this application validated. It is imperative that proposals for a listed building are accompanied by large scale drawings together with details such as fixings, materials, etc. Whilst there are vague notes on the 'Proposed Elevation' drawing this is insufficient for the application to be determined.

We would suggest that the application is withdrawn and then resubmitted once the requisite documentation is available.
