APPLICATION NUMBER: 18/04362/LBA

ADDRESS: 16-18 Queen Square

PROPOSAL: Installation of brass plaque at ground floor entrance on front elevation

CASE OFFICER: Emily Smithers

DATE: 7 October 2018

COMMENT: SUPPORT

\*\*\*\*\*

Bath Heritage Watchdog supports this application.

We are pleased to note the proposed traditional brass signs to this important building. There are no details included regarding the fixings and we leave this aspect of the application to the conservation officer.

We also note that there is an existing sign below the location of this proposed sign for which we cannot find consent. It would appear that this sign is in an inappropriate material and colour. Action needs to be taken to address this.
