

ENFORCEMENT COMPLAINT FORM

Location of suspected breach:

1-3 Westgate Buildings (The Stable Restaurant)

Describe the nature of your complaint:

10 tables are positioned on the pavement, a larger number than was granted planning permission. Condition 3 of permission for 15/01935/FUL states "No more than 6 no. tables/chairs shall be sited on the highway as shown on drawing titled Proposed external seating area revised plan date received 13/08/15". (This is assumed to be 6 no. tables, not a limit of chairs)

Do you know the owner of the building / land? If so, please provide details:

Highway, with street furniture belonging to The Stable.

If there is a related planning application, please state the ref. number if known:

15/01935/FUL (Not shown in the current Property History list)

If you have any additional information, please provide:

The planning permission was granted on the basis of a revised drawing which halved the number of tables originally applied for.
The tables now photographed seem different to the ones originally used, which looked more substantial.
