

Dear Supporter,

As a supporter of the Museum of Bath at Work I hope you have enjoyed being kept in contact with walks, talks, exhibitions and invitations to events over the years. The closure of the Museum during the Covid-19 lockdown has been very challenging with much reduced income and our position has been worsened by the withdrawal of funding from a generous benefactor.

In the spring of 2020 the donor, which had annually supported the Museum with over £20,000 each year, withdrew that help for operational reasons. As a supporter of the Museum, we are hoping you may be able to help us as we cope with both the fallout from the Covid-19 Crisis and withdrawal of this financial help.

We need to raise £20,000 each year to pay one member of staff, and we are hoping you would help to cover our Director's salary by joining the Friends of the Museum of Bath at Work. We would like to invite you to set up a monthly payment of £3.50 per month by standing order and in return you will be able to benefit from the following rewards.

- * Free admission for you and 50% reduction for accompanying guests
- * Exclusive invitations to walks, talks and social and virtual events throughout the year
- * 10% discount on Souvenir Shop purchases
- * Director's Tour of welcome of Collections and Behind the Scenes stores
- * Free access to archives by arrangement
- * Preferential access to online lectures and presentations at the Museum

We have survived turbulent times in the past and have, with modest means and with your generous help, provided exhibitions, care of our collections, outreach, educational activities, tours, talks and walks that have told the tale of two thousand years of the city's commercial development.

We sincerely hope you are able to help stabilise finances by completing the attached form so we can continue our valuable work and secure the future for the Museum.

Thanks in anticipation
